

BACK-OF-HOUSE

VENUE RESET

ABOUT THIS JOB

Supported by your Support Worker, you will get the venue ready before anyone else walks in. You start with a walkthrough, photographing each area, and the Staff App turns that into your list for the shift. You work through it and hand the room over ready to open. Nobody picks mopping. Doing it well, week after week, is the thing an employer will ask you about. It is a good first job if you have never worked anywhere before.

WHAT YOU DO

- » Walk through the building and photograph each area
- » Work through the list the Staff App builds for you
- » Empty the bins and mop the floors
- » Wipe down the desks, screens and gear
- » Reset the tables and chairs ready for opening

WHY THIS JOB MAY SUIT YOU

- » You want quiet, with few people
- » You would rather work behind the scenes
- » You like knowing exactly what to do
- » You like seeing a job finished
